We are also meeting with Rob Gillette of service master and I know Pete fairly well. Also Chamber had me present OSC to the ServiceMaster team when they were considering downtown memphis location.

But that's just FYI background and insee no reason for you not to proceed with reaching out to Pete if John is making the connection for you.

OK. I'll hold off for now and check back with you in a few weeks.

I also have a letter ready to go to Peter Tosches of ServiceMaster at John Dudas' suggestion. Does that interfere with anything you are doing to connect them with us ?

Also, I have letters going to the managers of the three major Memphis malls but assume that would not involve anything you are pursuing.

We are about to approach him about joining MT. Rick Shadyac knows his team. You might want to wait and see if we are successful in connecting with him, then we can invite him to connect him and/or a senior member of his team to crime commisson
